PRAISE FOR SHANALEE'S PRESENTATIONS

"I had the pleasure of listening to keynote speaker Shanalee Sharboneau at the Houston Writers Guild Indiepalooza 2017. Her insights into book writing and publishing were inspirational and I found myself needing to check out her work on her website at www.myfamilylovesme.org. She has a very positive nature about her and as an author myself, gave me inspiration to further my own work. I highly recommend Shanalee for speaking engagements as she has certainly earned the awards. It is quality work that should be shared."
